

Looking to
capitalize on the
humanization
of pet food?

STABILITY | SELECTION | SAFETY

Partner with North America's largest and most reliable ingredient supplier. Specialty Pet Food, a division within the larger Specialty Commodities (SCI), offers one of the widest and ever-expanding product portfolios catered specifically to the pet food industry. With access to hundreds of hard-to-find ingredients and a focus on food safety, Specialty Pet Food is your primary source for all of your grains & ancient grains, fruits & vegetables, legumes, oilseeds, starches & fibers, vegetable proteins, nuts, oils, herbs, spices and flavorings.

Visit our website to learn more about our ingredient offerings and food safety expertise.
